I. CALL TO ORDER

II. PLEDGE OF ALLEGIANCE

III. ROLL CALL

The Board Secretary took a roll call of the Board. The following directors were present in the Boardroom: Ted Costa, George Machado, Mike McRae, Pam Tobin, and Manuel Zamorano.

IV. PUBLIC FORUM AND COMMENTS

There were no public comments.

V. PUBLIC HEARINGS

1. FY 2026-27 Wholesale and Retail Budget (W & R)

President Costa opened hearing at 6:02 p.m.

Ms. Grant, SJWD Clerk of the Board, confirmed that the hearing was properly noticed as required by law. GM Larsen reported that no comment letters were received.

Ms. Silva explained that staff's recommendation is to leave the Public Hearing open for the FY 2026-27 Wholesale and Retail Budget and continue it to June 30, 2026. She noted that there is an agenda item that needs to be reviewed by the Board prior to the budget hearing. GM Larsen added that continuing the hearing to June 30 will provide staff sufficient time to receive direction from the Board and update the budget accordingly.

President Costa left the Public Hearing open and continued it to June 30, 2026, at 6:00 pm.

2. 2025 Urban Water Management Plan and Water Shortage Contingency Plans (W & R)

President Costa opened hearing at 6:05 p.m.

Ms. Grant, SJWD Clerk of the Board, confirmed that the hearing was properly noticed as required by law. Mr. Zlotnick and GM Larsen reported that no comment letters were received.

Mr. Zlotnick introduced the District's consultant, Mr. Robert Heather from Zanjero. Mr. Heather conducted a brief presentation which will be attached to the meeting minutes. Mr. Heather provided information on his background and explained the process of producing the Urban Water Management Plan and that it is a state-mandated plan to demonstrate long-term water reliability. Mr. Zlotnick explained that the plan demonstrates reliability through 2050 under all scenarios (normal, single dry, five consecutive dry years).

President Costa opened the floor for public comment and there were no public comments made.

President Costa closed the hearing at 6:35 p.m.

President Costa moved to approve Resolution No. 26-11 Urban Water Management Plan, Resolution No. 26-12 Wholesale Water Shortage Contingency Plan and Resolution No. 26-13 Retail Water Shortage Contingency Plan. Director McRae seconded the motion and it carried unanimously.

Mr. Zlotnick noted that the consultant will submit the plan to DWR and once approved, then the plan will be used to help create a Water Management Plan required by the Federal Central Valley Project Improvement Act. He explained that the Water Management Plan will be brought to the Board before the end of the calendar year.

3. FY 2026-27 Liens for Delinquent Charges (R)

President Costa opened hearing at 6:38 p.m.

Ms. Grant, SJWD Clerk of the Board, confirmed that the hearing was properly noticed as required by law. GM Larsen reported that no comment letters were received.

Mr. Barrett reviewed the staff report which was included in the Board packet. He explained that staff remain committed to working collaboratively with customers to bring accounts current and avoid placement of delinquent charges on the Property Tax Roll. In addition, he stated that staff will work to resolve as many delinquencies as possible prior to the deadline to remove accounts from the county tax rolls. Mr. Barrett is seeking the approval of Resolutions 26-14 and 26-15 to ensure the collection of outstanding revenue.

President Costa opened the floor for public comment and there were no public comments made.

Mr. Barrett confirmed that the District no longer shuts water off and instead proceeds with collections via the lien process. In addition, he explained that the total amount due is included in the notification process and that is the amount that is submitted to the counties for collection and any new charges will be added to the account and if needed added to next year's lien process.

In response to Director Zamorano's question, Mr. Barrett explained that the property owner and the renter, if it is a rental property, received all bills, reminders, and the two lien notices. Mr. Barrett explained that the lien process is standard across water districts in lieu of shutting off water. Ms. Silva explained that, per District Ordinances, the owner receives the water bill and is ultimately responsible for unpaid water bills.

President Costa closed the hearing at 6:54 p.m.

President Costa moved to adopt Resolution No. 26-14 and Resolution No. 26-15 approving and confirming the Report of Delinquent Water Charges and requesting Sacramento County and Placer County place such charges on the respective tax roll. Vice President Tobin seconded the motion and it carried with 4 Aye votes and 1 No vote (Zamorano)

4. Status of San Juan Water District Vacancies and Recruitment and Retention Efforts in Fiscal Year 2025-26 (W & R)

President Costa opened hearing at 6:55 p.m.

Ms. Grant, SJWD Clerk of the Board, confirmed that the hearing was properly noticed as required by law. GM Larsen reported that no comment letters were received.

GM Larsen reported that a new law requires the District to hold a public hearing once per year to provide a report on the status of any job vacancies and recruitment and retention efforts. Therefore, he reviewed the written staff report which was included in the Board packet.

President Costa opened the floor for public comment and there were no public comments made.

President Costa closed the hearing at 6:59 p.m.

VI. CONSENT CALENDAR

All items under the Consent Calendar are considered to be routine and are approved by one motion. There was no separate discussion of these items unless a member of the Board or staff requested a specific item be removed. Consent Calendar item documents are available for review in the Board packet.

1. Minutes of the Board of Directors Meeting, May 28, 2026 (W & R)

Recommendation: Approve draft minutes

2. Minutes of the Board of Directors Special Meeting, June 3, 2026 (W & R)

Recommendation: Approve draft minutes

3. Public Outreach Contract (W & R)

Recommendation: Approve entering into a Professional Services Agreement with Prozio Communications for Communications and Marketing Support and Graphic Design Services for FY 2026-27

4. Annual Paving Services Contract Amendment No. 3 (R)

Recommendation: Authorize the Field Services Manager to sign Amendment #3, 3rd year renewal of the professional services contract with Sierra National Asphalt for paving services for FY 2026-27

5. Annual Installation Services Contract, Amendment No. 3 (W & R)

Recommendation: Authorize the Field Services Manager to sign Amendment #3, 2nd year renewal of the professional services contract with Flowline Contractors Inc. for service installations for FY 2026-27

6. Water Treatment Plant and Hinkle to Baldwin Pipeline Valve Project (W)

Recommendation: Authorize the Director of Engineering & Retail Operations to purchase three butterfly valves from Frank Olsen Company (DeZurik)

Vice President Tobin moved to approve the Consent Calendar. Director Zamorano seconded the motion, and it carried unanimously.

VII. COMPENSATION STUDY WORKSHOP

1. Compensation Study Presentation (W & R)

Ms. Silva reviewed the staff report included in the Board packet and advised the Board that the District's most recent compensation study was completed in 2022. She noted that District policy calls for a compensation study approximately every four years, or sooner if needed, to evaluate the District's compensation relative to the labor market. She further explained that the Board's target is five percent above the market median based on Total Cash compensation. Ms. Silva then introduced Ms. Shellie Anderson of Bryce Consulting.

In response to Director McRae's question, Ms. Anderson explained the distinction between Total Cash and Total Compensation. Ms. Silva stated that the Total Cash approach was selected to avoid skewing salary comparisons based on individual benefit elections, such as single versus family medical coverage.

Ms. Anderson conducted a presentation that will be attached to the meeting minutes. She reviewed the survey agencies, data elements, survey classes, methodology and compensation findings. She explained how the salary recommendations were aligned across classifications and noted that the recommendations included in the Board packet addressed both the current classifications and the proposed reorganization classifications.

GM Larsen informed the Board that the estimated FY 2026-27 budget impact associated with the proposed reorganization classifications is approximately

\$90,000. Ms. Silva explained that this amount represents the funding needed to bring affected employees to the minimum of their new classification ranges as a result of the reorganization.

Ms. Silva explained that two compensation schedules were presented for Board consideration: one based on the current organizational structure and one based on the proposed reorganization structure. She noted that, if the Board approved the reorganization, both schedules would need to be approved because the reorganization would not take effect immediately and the current schedule would also be required for FY 2026-27. GM Larsen informed the Board that the Engineering Department identified four projects anticipated to offset the reorganization's estimated \$90,000 cost through in-house engineering savings.

GM Larsen informed the Board that the District's total number of positions will remain unchanged. He noted that the proposed reorganization is intended to transition employees internally into the newly classified positions, which will support Engineering staff and provide additional resources to help secure grant funding for future projects.

Vice President Tobin moved to approve the reorganization with the accompanying District Compensation Schedule along with the current District Compensation Schedule. President Costa seconded the motion.

In response to Director McRae's questions, Ms. Anderson clarified that Total Cash does not include the District's cost for medical, vision, or dental premiums. Ms. Silva stated that the District's benefit costs are near or above the market average, which supports employee retention. Ms. Silva further explained that the retail financial plan projected salary and benefit growth based on FY 2024-25 actuals and that initiating a Proposition 218 process is not necessary because the approved retail rates are sufficient to cover projected expenses. She noted that the District is in a strong financial position.

President Costa suggested that staff provide a future presentation on employee benefits, noting that three Board members were not present when the information was previously presented. In response to Vice President Tobin's question, Ms. Silva explained that the District established the Blue Shield Access Plus healthcare plan offered through CalPERS as its maximum contribution. As a result, employees with family coverage are fully covered if they select that plan or a less expensive option; employees selecting a higher-cost plan are responsible for paying the difference.

In response to Directors Zamorano and McRae's comments, Ms. Anderson explained if the Board decided to set the market target based on total compensation, then the salary of an employee with no dependents would be less since the study would include the family plan even though they are not receiving that full benefit. Ms. Silva explained that when the Board made the decision to move to Total Cash, they also lowered the market target from 10% over market median to 5% over market median.

The motion carried unanimously.

VIII. DISCUSSION AND ACTION ITEMS

1. Potential Public Records Act Request Related to CHWD (W)

GM Larsen recommended tabling the item until the July Board meeting, noting that a meeting with CHWD is scheduled for June 30. President Costa concurred with tabling the item. Legal Counsel Jones also advised the Board that staff and legal counsel are currently working on CHWD's Public Records Act request.

2. Conjunctive Use and Groundwater Banking Activities Update (W & R)

Mr. Zlotnick reported that he attended the Groundwater Bank Program Committee meeting today and they discussed the issue of federal acknowledgement of the water bank. He stated that it was a good meeting and there were commitments from the City of Sacramento and others to stay with the program and complete the effort. He reported that it might take a year or two to move into the federal acknowledgement work with the Bureau of Reclamation.

Mr. Pierson informed the Board that he is still working with consultants to find assistance with the potential ponds.

IX. INFORMATION ITEMS

1. GENERAL MANAGER'S REPORT

1.1 General Manager's Monthly Report (W & R)

GM Larsen reported that operations are going well with zero failed water quality samples and there were only four reported leaks in May which is very low. A written report for May was included in the Board packet.

1.2 Miscellaneous District Issues and Correspondence

GM Larsen reported that he and staff met with representatives from the City of Roseville to discuss opportunities for collaboration, including potential groundwater banking. He also informed the Board that he responded to inquiries from the Sacramento Bee regarding the wholesale program and invited the reporter, who previously attended a Board meeting and wrote an article regarding District finances, to tour the District and the water treatment plant. In addition, he reported that the Citrus Heights Historical Society has been invited to tour the District, with the tour anticipated to be scheduled near the end of July.

GM Larsen informed the Board that a California water district was recently affected by a cybersecurity incident involving Iranian hackers. He confirmed with the District's IT Manager that the District has not experienced any related issues and that its systems are currently secure.

In response to President Costa's comments regarding golden mussels, GM Larsen reported that the Water Treatment Plant Manager was contacted by East Bay Municipal Utility District regarding potential collaboration on a study to determine whether the mussels can survive in local waterways.

2. DIRECTOR OF WATER RESOURCES & STRATEGIC AFFAIRS' REPORT (W & R)

2.1 Hydrology Report (W & R)

Mr. Zlotnick informed the Board that staff could not access the links which are used for the hydrology report, but he reported that Folsom Reservoir is pretty full and not much difference from last month.

2.2 Miscellaneous District Issues and Correspondence

Mr. Zlotnick noted that there were letters included in the Board packet that GM Larsen signed through coalitions with and through ACWA. In addition, there is a letter from the Water Forum that addresses concerns regarding Reclamation's forecast for the end of December storage.

3. DIRECTOR OF FINANCE'S REPORT

3.1 Miscellaneous District Issues and Correspondence

No report.

4. DIRECTOR OF OPERATIONS' REPORT

4.1 Miscellaneous District Issues and Correspondence

This item was combined with the Director of Engineering and Retail Operations' Report.

5. DIRECTOR OF ENGINEERING AND RETAIL OPERATIONS' REPORT

5.1 Miscellaneous District Issues and Correspondence

Mr. Pierson conducted a brief presentation on the progress at Kokila Reservoir. He reported that half of the concrete slab for the new tank was poured at the Kokila Reservoir and the other half is scheduled to be poured on June 23rd.

Mr. Pierson reported that the annual cleaning of the equalization basin is complete. He explained that the cleaning removes any filter media that remains in the basin from the backwash process.

Mr. Pierson reported that the sludge removal will be done on June 25-26. This is the process where the goal is to certify the sludge as "clean" to save approximately \$50k/year in disposal costs.

Mr. Pierson reported that valve exercising is 70% complete, and hydrant exercising is 75% complete. In addition, the co-op maintenance and dead-end flushing are 100% complete.

6. LEGAL COUNSEL'S REPORT

6.1 Legal Matters

No report.

X. DIRECTORS' REPORTS

1. SACRAMENTO GROUNDWATER AUTHORITY (SGA)

President Costa reported that he and Director Machado attended the SGA meeting where two matters were discussed – a closed session on a personnel issue and an update from Trevor on a basin that is not filling.

2. REGIONAL WATER AUTHORITY (RWA)

President Costa reported that RWA meets next month.

3. ASSOCIATION OF CALIFORNIA WATER AGENCIES (ACWA)

3.1 ACWA - Pam Tobin

Vice President Tobin reviewed a written report which is included in the Board packet. She announced that Karla Nemeth was selected as the ACWA Executive Director and she will start in September.

3.2 Joint Powers Insurance Authority (JPIA) - Pam Tobin

Vice President Tobin reviewed a written report which is included in the Board packet.

4. OTHER REPORTS, CORRESPONDENCE, COMMENTS, IDEAS AND SUGGESTIONS

There were no other matters discussed.

XI. FUTURE AGENDA ITEMS

1. Requests by Board Members for Agenda Items

There were no requests for agenda items.

2. Meeting Date Changes and Board Attendance

Director Machado requested that the October Board meeting be rescheduled from October 21st to October 7th. The Clerk of the Board requested that the item be placed on the July Board meeting agenda for Board consideration and possible action to reschedule the regular meeting.

XII. COMMITTEE MEETINGS

1. Urban Water Management/Water Transfer Committee – June 3, 2026

The committee meeting minutes were included in the Board packet.

2. Engineering Committee – June 9, 2026

The committee meeting minutes were included in the Board packet.

3. Finance Committee – June 9, 2026

The committee meeting minutes were included in the Board packet.

4. Public Information Committee – June 10, 2026

The committee meeting minutes were included in the Board packet.

I. CALL TO ORDER

II. ROLL CALL

The Clerk of the Board took a roll call of the Board. The following directors were present in the Boardroom: Ted Costa, George Machado, Mike McRae and Manuel Zamorano. Vice President Pam Tobin requested to join the meeting via videoconference as she was not feeling well. Legal Counsel Jones noted that she was joining under a provision in the Brown Act and her location did not need to be posted on the agenda.

III. PLEDGE OF ALLEGIANCE

IV. NEW BUSINESS

1. Resolution 26-16 - Passing of Kathleen Avila (W & R)

GM Larsen reported that Vice President Tobin provided a resolution for the Board to consider regarding the passing of Kathleen Avila, the wife of Ernie Avila, ACWA Board President.

Vice President Tobin moved to adopt Resolution 26-16, a resolution expressing sympathy and condolences to Ernie Avila and his family on the passing of his wife, Kathleen Avila. Director Machado seconded the motion. The motion carried with the following roll call vote:

Ayes: Directors Costa, Machado, McRae, Tobin and Zamorano
Noes: None
Absent: None

President Costa opened the floor to public comment at the request of GM Larsen.

Mr. Tom Gray, Fair Oaks Water District General Manager, addressed the Board and noted that there was a meeting today that was attended by President Costa and staff and that FOWD Board President Marx requested that Mr. Gray attend the Board meeting and express their appreciation to the Board and staff for attending the meeting. Mr. Gray noted that a document was presented to SJWD at the meeting and FOWD hopes that the Board considers the document. He encouraged everyone to get to the intended outcome such as settling the litigation, getting reliable water supply, and conducting groundwater banking. He looks forward to working together. President Costa commented that the District still has a 2x2 Ad Hoc Committee with himself and Director McRae that is ready to meet with FOWD's 2x2 committee to discuss these issues.

V. PUBLIC HEARING

1. FY 2026-27 Wholesale and Retail Budget (W & R)

President Costa directed Ms. Silva to continue the Public Hearing.

Ms. Silva conducted a presentation on the District's FY 2026-27 Wholesale and Retail Budget, a copy of which will be attached to the meeting minutes. She reviewed the changes that were made to the budget since the June 17th Board meeting.

In response to President Costa's question, Ms. Silva explained that funds are set aside each year for pay-as-you-go funding on projects and she anticipates that the projects will be funded with existing reserves and in the Fall she will analyze the actuals from this year which will help determine the status of schedule rate increases for next year.

In response to Director Zamorano's question regarding a zero increase in retail rates, Ms. Silva informed the Board that she will provide the information in the Fall when the actuals are finalized in conjunction with the audit.

In response to President Costa's comment on the office remodel, Ms. Silva explained that any projects over \$75,000 will come before the Board for approval. She clarified that the Board previously reviewed and rejected a request for a new Administration Building and that what is in the budget is an office remodel/expansion of the existing building instead. GM Larsen explained that Mr. Barela had developed plans for an expansion and staff will be reviewing that plan and staff's needs to determine if it is still necessary or if there are other options; therefore, staff will bring the information to the Board once that is determined.

President Costa closed the Public Hearing at 6:31 p.m.

Vice President Tobin moved to adopt Resolution No. 26-10 adopting the FY 2026-2027 Budget. Director McRae seconded the motion. The motion carried with the following roll call vote:

Ayes: Directors Costa, Machado, McRae, Tobin and Zamorano
Noes: None
Absent: None

At 6:33 p.m., President Costa announced that the Board was adjourning to Closed Session and there were no public comments.

VI. CLOSED SESSION

Subject: Approval of Interagency Cost-Sharing Agreement
for Water Forum FY 2026-27 Expenses

RECOMMENDED ACTION

Authorize General Manager to sign the Interagency Cost-Sharing Agreement for Water Forum FY 2026-27 Expenses (attached).

BACKGROUND

The Board unanimously approved signing the updated Water Forum 2050 agreement at its meeting on December 17, 2025.

The Water Forum's total member cost-share supported budget for FY 2026-27 is \$2,057,076, with about half covering general operations and the other half supporting the on-the-ground/in-the-river habitat work and technical studies the Water Forum undertakes that are central to its mission.

The pro-rata funding formula determining member agency cost-shares incorporates numbers of connections, amounts of American River diversions and groundwater production.

San Juan has long provided an annual contribution to the Water Forum to pay its proportional cost-share of Water Forum expenses.

The total FY 2026-27 allocation to San Juan and the Wholesale Customer Agencies is \$264,805, which equates to a little under 13% of the total; the second largest member contribution, only behind the City of Sacramento's \$444,342 share.

However, Citrus Heights Water District and Fair Oaks Water District are paying their own cost-shares, as they did last year.

Consequently, San Juan Wholesale's remaining cost-share balance is \$113,456, about 5% of the total, and which reflects an approximately 6% increase over last year's contribution of \$106,938.

Funds for this expenditure have been included in the District's FY 2026-27 budget.

**Interagency Agreement
For Cost-Sharing the Fiscal Year (FY) 2026-2027
Water Forum Successor Effort and Habitat Management Element
Budget of the Water Forum**

THIS INTERAGENCY AGREEMENT FOR COST-SHARING THE FISCAL YEAR (FY) 2026-2027 WATER FORUM SUCCESSOR EFFORT AND HABITAT MANAGEMENT ELEMENT BUDGET OF THE WATER FORUM (Interagency Cost-sharing Agreement) is made and entered into on July 1, 2026, by and among El Dorado Irrigation District; Placer County Water Agency; City of Folsom (minus Ashland); City of Roseville; San Juan Water District; Citrus Heights Water District; Fair Oaks Water District; Carmichael Water District; Sacramento Suburban Water District; Golden State Water Company; California-American Water Company; East Bay Municipal Utility District; Sacramento County Water Agency; and the City of Sacramento (on behalf of the Water Forum).

Section I.

Water Forum Successor Effort Cost-Sharing: The Parties identified below have each agreed to pay a pro-rata amount of the total costs for funding the Water Forum Successor Effort (WFSE) activities (based upon their number of active water connections and the 5-year average quantities of groundwater production and American River diversions, or a negotiated amount), as set forth below for the period of July 1, 2026, to June 30, 2027.

WFSE (Fund 7103) Cost-Sharing Partners	FY 2026-2027 Cost Share Amounts
El Dorado Irrigation District	64,165
Placer County Water Agency	54,766
City of Folsom (minus Ashland)	59,755
City of Roseville	106,152
San Juan Water District	53,418
Citrus Heights Water District	40,807
Fair Oaks Water District	31,561
Carmichael Water District	26,697
City of Sacramento	211,068
Sacramento Suburban Water District	93,773
Golden State Water Company	30,824
California-American Water Company	89,665
Sacramento County Water Agency	80,224
East Bay Municipal Utility District	14,787
Sacramento Area Flood Control Agency	20,000
Sacramento Municipal Utility District	21,000
Total:	998,662

Habitat Management Element Cost-Sharing: The Parties identified below have each agreed to pay a pro-rata amount of the total costs for funding the Habitat Management Element (HME) activities (based upon their number of active water connections and the 5-year average quantities of groundwater production and American River diversions, or a negotiated amount), as set forth below for the period of July 1, 2026, to June 30, 2027.

HME (Fund 7104) Cost-Sharing Partners	FY 2026-2027 Cost Share Amounts
El Dorado Irrigation District	70,916
Placer County Water Agency	60,527
City of Folsom (minus Ashland)	66,041
City of Roseville	117,320
San Juan Water District	59,038

California-American Water Company	99,099
Sacramento County Water Agency	88,664
East Bay Municipal Utility District	16,343
Total:	1,058,414

Sacramento County American River Parkway Contribution: Given the County of Sacramento’s long history of stewardship in the American River Parkway (Parkway) and strong partnership with the City of Sacramento on issues related to the Parkway, the County of Sacramento commits to provide separate funding from the water agencies in the amount of \$150,000 in FY 2026-2027 to be used to support the CEQA documentation for the second phase of the Cordova Creek naturalization project.

Section II.

Reimbursement: The Water Forum shall administer all consultant agreements and other expenses incurred during FY 2026-2027 for the WFSE and HME. The Parties agree to pay the Water Forum for their share of such costs, totaling the amount set forth for each party in Section I, above, within 30 days after receipt of invoices.

The Water Forum will invoice each Party one time at the beginning of each fiscal year for its annual cost allocation. It is understood and agreed that although this Interagency Cost-sharing Agreement only pertains to reimbursement for costs incurred during the period from July 1, 2026, to June 30, 2027, the WFSE and HME will extend past June 30, 2027. Any reimbursement of costs incurred by Water Forum after June 30, 2027, would be governed by a new or amended interagency cost-sharing agreement.

Section III.

Sacramento Municipal Utility District and Sacramento Area Flood Control Agency: Sacramento Municipal Utility District (SMUD) and Sacramento Area Flood Control Agency (SAFCA) have entered into separate agreements with the City of Sacramento (on behalf of the WATER FORUM and the WFSE) to pay their share of the costs identified in Section II, above, up to the amounts set forth for SMUD and SAFCA, respectively, in Section I, above.

Section IV.

Changes in Terms: Any changes to the terms of this Interagency Cost-sharing Agreement shall be approved by all Parties and shall be effective when reduced to writing and signed by all Parties.

Section V.

Contingent obligation: This Interagency Cost-sharing Agreement is entered into prior to annual budget adoption by some of the Parties and is subject to funding availability in each Party's approved budget for the applicable fiscal year. In the event that a Party's governing body does not approve sufficient funding to meet the obligations of this Interagency Cost-sharing Agreement, the Parties will meet and confer on a revised cost allocation.

Section VI.

Disclaimer of Liability; Mutual Indemnification: No Party nor any officer or employee thereof shall be responsible for any damage or liability occurring by reason of anything done or omitted to be done by another Party under or in connection with any work, authority, or jurisdiction delegated to another Party under this Agreement.

Each Party shall comply with any obligation it may have under Section 8 of the May 2026 *Third Interagency Agreement for the Administration and Management of the Water Forum* to indemnify, defend, and hold harmless another Party under the circumstances and to the extent specified therein.

Section VII.

Independent Contractors: All contractors employed during any phase of the WFSE and HME are independent contractors. Contractor employees assigned to perform contract work related to the Water Forum are and will remain employees of the contractor and will not be considered employees of any of the Parties for any reason.

STAFF REPORT

To: Board of Directors
From: Mark Hargrove, Senior Engineer
Date: July 15, 2026
Subject: Air Release Valve Replacement Program 2024/2025 – Construction Contract

RECOMMENDED ACTION

Staff requests a Board motion to approve the Director of Engineering & Retail Operations to sign a construction contract with Navajo Pipelines, Inc.(Navajo) for the amount of \$784,830 with a construction contingency of \$78.483 (10%) for a total authorized budget of \$863,313. The staff recommendation was reviewed by the Engineering Committee, which recommends approval by the Board of Directors.

BACKGROUND

In 2022, District staff started an Air Release Valve Replacement Program (Program) to replace/upgrade all of the existing air release valves (ARVs) that are currently deficient (i.e. broken, not found, cannot be repaired) and/or located within below grade valve boxes to above grade installations to be in compliance with California Code of Regulations, Title 22. The Programs goal is to replace 45 ARVs per year. The District has replaced 90 ARVs to date as part of this Program.

This construction contract is for another set of 45 ARV replacements for the Program. The ARV's are located in northwest portion of its Retail Service Area within the Sierra Pressure Zone and Bacon Pressure Zone in Granite Bay, Placer County, CA. More specifically, the ARV sites are within the boundaries of Cavitt Stallman Road to the north, East Roseville Parkway to the south, Barton Road to the east, and Sierra College Boulevard to the west. All portions of the Project are within the existing public rights-of-way and easements in Placer County, CA. The Engineer's construction estimate is approximately \$800,000.

CURRENT STATUS

Eight (8) contractors attended the mandatory pre-bid conference on June 5, 2026, and five (5) bids were received on July 2, 2026. The Bid outcomes are summarized as follows:

Bidder	Bid Amount
Navajo Pipelines, Inc.	\$784,830.00
Rawles Engineering, Inc.	*\$794,827.00
Newland Entities., Inc.	\$814,913.00
TAK Broadband Ca, LLC	\$862,837.36
Flowline Contractor's, Inc.	\$904,915.00

*Bid amount shown is total price based on unit prices. Bid contained a discrepancy between Total Bid Price listed and total price based on unit prices. Total Bid Price listed was \$779,827.00. Per Article 4.12 of Specifications, unit prices prevail over totals.

Navajo was determined to be the lowest responsive, responsible bidder. Navajo's bid documents were reviewed and found to be complete and in order, including license, insurance, and bonds.

FINANCIAL CONSIDERATIONS

The Project is included in FY 2026/2027 Retail CIP Budget.

STAFF REPORT

To: Board of Directors
From: Adam Larsen, General Manager
Date: July 15, 2026
Subject: FY 2026-27 Liens for Delinquent Charges

RECOMMENDED ACTION

Receive information and discuss the previously approved item as requested by Director Zamorano. No action is recommended by staff.

BACKGROUND

Director Zamorano requested that this item be placed on the agenda for further discussion by the Board of Directors. The matter has previously been considered and approved by the Board. This agenda item is being presented solely to provide an opportunity for additional Board discussion regarding the previously approved action.

CURRENT STATUS

The item was previously approved by the Board and remains in effect. Staff is not proposing any modifications, amendments, or additional actions at this time. The purpose of this agenda item is to allow Board members to discuss the matter further, ask questions, and provide comments as requested by Director Zamorano.

FINANCIAL CONSIDERATIONS

There are no additional financial impacts associated with this discussion item beyond those previously considered and approved by the Board.

FOREWORD

This document composes the Operations Plan for the San Juan Water District for Fiscal Year 2026-27. It defines the major actions that we plan to undertake during this coming fiscal year, to achieve the goals and strategic objectives laid out in the District's Strategic Plan. The Strategic Plan encompasses our mission, vision and values, and outlines the goals and objectives that we will pursue to meet our mission and achieve our vision. The Strategic Plan incorporates the principles of fiscal responsibility, customer service and operational excellence.

This Operations Plan is organized in sections that correspond to the District's different functional groups. The actions are not in priority order, but the Goals and Strategic Objectives in the Strategic Plan that are related to these actions are noted. A target date for accomplishing the action is also listed, and District staff will report quarterly on the status of completing each action.

STAFF REPORT

To: Board of Directors

From: Adam Larsen, General Manager
Elishia Sorensen, Human Resources Specialist

Date: July 15, 2026

Subject: General Manager Evaluation Process

RECOMMENDED ACTION

Provide direction to staff regarding the information, evaluation criteria, and process the Board would like utilized for the General Manager's annual performance evaluation scheduled for the August Board meeting.

BACKGROUND

The General Manager's annual performance evaluation is scheduled to occur at the August Board meeting. As this will be the first evaluation of the current General Manager by the existing Board, staff is seeking guidance from the Board regarding the evaluation process, performance criteria, and supporting information the Board would like considered as part of the review.

Establishing the evaluation framework in advance will allow staff sufficient time to compile relevant materials and ensure that Board members have the information necessary to conduct a meaningful and consistent assessment.

CURRENT STATUS

The August evaluation will be the first formal performance evaluation of the General Manager by the current Board of Directors. At this time, staff has not prepared evaluation materials because direction is needed regarding the Board's preferred methodology and evaluation criteria.

Additionally, the Board may provide direction regarding the evaluation format, scoring methodology, evaluation forms, and supporting documentation.

Staff will compile the requested information and prepare evaluation materials consistent with Board direction.

Important Disclosures

Important Disclosures

This statement is for general information purposes only and is not intended to provide specific advice or recommendations. PFM Asset Management ("PFMAM") is a division of U.S. Bancorp Asset Management, Inc. ("USBAM"), a SEC-registered investment adviser. USBAM is direct subsidiary of U.S. Bank National Association ("U.S. Bank") and an indirect subsidiary of U.S. Bancorp. U.S. Bank is not responsible for and does not guarantee the products, services or performance of PFMAM. PFMAM maintains a written disclosure statement of our background and business experience. If you would like to receive a copy of our current disclosure statement, please contact Service Operations at the address below.

Proxy Voting PFMAM does not normally receive proxies to vote on behalf of its clients. However, it does on occasion receive consent requests. In the event a consent request is received the portfolio manager contacts the client and then proceeds according to their instructions. PFMAM's Proxy Voting Policy is available upon request by contacting Service Operations at the address below.

Questions About an Account PFMAM's monthly statement is intended to detail our investment advisory activity as well as the activity of any accounts held by clients in pools that are managed by PFMAM. The custodian bank maintains the control of assets and executes (i.e., settles) all investment transactions. The custodian statement is the official record of security and cash holdings and transactions. PFMAM recognizes that clients may use these reports to facilitate record keeping and that the custodian bank statement and the PFMAM statement should be reconciled and differences resolved. Many custodians use a settlement date basis which may result in the need to reconcile due to a timing difference.

Account Control PFMAM does not have the authority to withdraw funds from or deposit funds to the custodian outside the scope of services provided by PFMAM. Our clients retain responsibility for their internal accounting policies; implementing and enforcing internal controls and generating ledger entries or otherwise recording transactions.

Market Value Generally, PFMAM's market prices are derived from closing bid prices as of the last business day of the month as supplied by ICE Data Services. There may be differences in the values shown for investments due to accrued but uncollected income and the use of differing valuation sources and methods. Non-negotiable FDIC-insured bank certificates of deposit are priced at par. Although PFMAM believes the prices to be reliable, the values of the securities may not represent the prices at which the securities could have been bought or sold. Explanation of the valuation methods for a registered investment company or local government investment program is contained in the appropriate fund offering documentation or information statement.

Amortized Cost The original cost of the principal of the security is adjusted for the amount of the periodic reduction of any discount or premium from the purchase date until the date of the report. Discount or premium with respect to short term securities (those with less than one year to maturity at time of issuance) is amortized on a straightline basis. Such discount or premium with respect to longer term securities is amortized using the constant yield basis.

Tax Reporting Cost data and realized gains / losses are provided for informational purposes only. Please review for accuracy and consult your tax advisor to determine the tax consequences of your security transactions. PFMAM does not report such information to the IRS or other taxing authorities and is not responsible for the accuracy of such information that may be required to be reported to federal, state or other taxing authorities.

Financial Situation In order to better serve you, PFMAM should be promptly notified of any material change in your investment objective or financial situation.

Callable Securities Securities subject to redemption prior to maturity may be redeemed in whole or in part before maturity, which could affect the yield represented.

Portfolio The securities in this portfolio, including shares of mutual funds, are not guaranteed or otherwise protected by PFMAM, the FDIC (except for certain non-negotiable certificates of deposit) or any government agency. Investment in securities involves risks, including the possible loss of the amount invested. Actual settlement values, accrued interest, and amortized cost amounts may vary for securities subject to an adjustable interest rate or subject to principal paydowns. Any changes to the values shown may be reflected within the next monthly statement's beginning values.

Rating Information provided for ratings is based upon a good faith inquiry of selected sources, but its accuracy and completeness cannot be guaranteed.

Shares of some local government investment programs and TERM funds are distributed by representatives of USBAM's affiliate, U.S. Bancorp Investments, Inc. which is registered with the SEC as a broker/dealer and is a member of the Financial Industry Regulatory Authority ("FINRA") and the Municipal Securities Rulemaking Board ("MSRB"). You may reach the FINRA by calling the FINRA Hotline at 1-800-289-9999 or at the FINRA website address <https://www.finra.org/investors/investor-contacts>. A brochure describing the FINRA Regulation Public Disclosure Program is also available from FINRA upon request.

Key Terms and Definitions

Dividends on local government investment program funds consist of interest earned, plus any discount ratably amortized to the date of maturity, plus all realized gains and losses on the sale of securities prior to maturity, less ratably amortization of any premium and all accrued expenses to the fund. Dividends are accrued daily and may be paid either monthly or quarterly. The monthly earnings on this statement represent the estimated dividend accrued for the month for any program that distributes earnings on a quarterly basis. There is no guarantee that the estimated amount will be paid on the actual distribution date.

Current Yield is the net change, exclusive of capital changes and income other than investment income, in the value of a hypothetical fund account with a balance of one share over the seven-day base period including the statement date, expressed as a percentage of the value of one share (normally \$1.00 per share) at the beginning of the seven-day period. This resulting net change in account value is then annualized by multiplying it by

365 and dividing the result by 7. The yields quoted should not be considered a representation of the yield of the fund in the future, since the yield is not fixed. **Average maturity** represents the average maturity of all securities and investments of a portfolio, determined by multiplying the par or principal value of each security or investment by its maturity (days or years), summing the products, and dividing the sum by the total principal value of the portfolio. The stated maturity date of mortgage backed or callable securities are used in this statement. However the actual maturity of these securities could vary depending on the level or prepayments on the underlying mortgages or whether a callable security has or is still able to be called.

Monthly distribution yield represents the net change in the value of one share (normally \$1.00 per share) resulting from all dividends declared during the month by a fund expressed as a percentage of the value of one share at the beginning of the month. This resulting net change is then annualized by multiplying it by 365 and dividing it by the number of calendar days in the month.

YTM at Cost The yield to maturity at cost is the expected rate of return, based on the original cost, the annual interest receipts, maturity value and the time period from purchase date to maturity, stated as a percentage, on an annualized basis.

YTM at Market The yield to maturity at market is the rate of return, based on the current market value, the annual interest receipts, maturity value and the time period remaining until maturity, stated as a percentage, on an annualized basis.

Managed Account A portfolio of investments managed discretely by PFMAM according to the client's specific investment policy and requirements. The investments are directly owned by the client and held by the client's custodian.

Unsettled Trade A trade which has been executed however the final consummation of the security transaction and payment has not yet taken place.

Please review the detail pages of this statement carefully. If you think your statement is wrong, missing account information, or if you need more information about a transaction, please contact PFMAM within 60 days of receipt. If you have other concerns or questions regarding your account, or to request an updated copy of PFMAM's current disclosure statement, please contact a member of your client management team at PFMAM Service Operations at the address below.

Conclusion:

From July 2025 through June 2026, total water deliveries exceeded budget by 19.8%, and revenue finished 24.4% above plan. This result was driven almost entirely by the unbudgeted transfer to Sacramento Suburban Water District (SSWD), which added 7,398 AF and approximately \$2.6 million in revenue. Without the SSWD transfer, deliveries would have finished very close to target at just 1.06% below budget, while revenue would have been only 0.18% below plan. Among the core wholesale customers, Citrus Heights Water District deliveries were 4.5% below expectations, largely offset by Fair Oaks Water District deliveries, which were 4.0% above expectations. Deliveries to the remaining core wholesale agencies ranged from 1.0% to 1.4% below budget. Overall, fiscal year results came in well above budget due to the SSWD transfer. Excluding that transfer, both deliveries and revenue were essentially on target, indicating that core wholesale demand generally tracked budget estimates throughout the year.

1. Air Release Valve Replacement Program 2024/2025 – Construction Contract (R)

Mr. Hargrove reviewed the written staff report provided to the Committee, which will be included in the Board packet. He noted that the valves had already been purchased so the contract is for construction only. Ms. Silva mentioned that the budget for FY 2026-27 is slightly lower than the full contract amount with the 10% contingency; however, she stated that the expense should be covered with no issue since other projects will most likely come in lower than budgeted.

The Engineering Committee recommends consideration of a motion by the Board to approve the Director of Engineering & Retail Operations to sign a construction contract with Navajo Pipelines, Inc. (Navajo) for the Air Release Valve Replacement Program 2024/2025.

2. Other Engineering Matters

Mr. Pierson informed the Committee that the concrete slab is fully poured at the Kokila Reservoir site. He encouraged the Committee and the other members of the Board to join him onsite to witness the pre-stressing of the tank reinforcement and the installation of the roof supports when that work is performed.

- 2. Review Check Register from June 2026 (W & R)**
The Committee reviewed the June 2026 check register and found it to be in order.
- 3. Review of Legal Bills (W & R)**
The Committee reviewed the legal bills and found them to be in order.
- 4. Other Finance Matters (W & R)**
In response to Director McRae's question, Ms. Silva informed the Committee that there is one bond issuance outstanding. The 2017 Refunding bonds will save the District approximately \$11.2 million through FY 2038-39. In addition, she noted that the 2012 Refunding Bonds were refunded in 2022, with a private placement loan resulting in total interest savings of approximately \$1.75 million through FY 2032-33. Ms. Silva advised the Committee that due to a change in law the District is no longer able to do advance refundings of tax-exempt bonds. At the request of the Committee, Ms. Silva will provide more information on who benefits from the new law surrounding the refunding of bonds.
